

# CEN10™

## Bid Specs

SAFETY. SINCE 1898.™

**Bid Summary:** A century of head protection innovation defines the Bullard CEN10™ Helmet. Featuring sleek, low-profile vented and non-vented designs, self-adjusting patented FlexGlide™ suspension system, an impact-resistant helmet shell with inner foam comfort liner, and an integrated 3-point chin strap.

### Features:

- Helmet is expertly designed to provide the highest level of protection to workers through a 3-point chin strap for a secure fit when working at heights
- Equipped with the patented FlexGlide suspension system, the CEN10 lets wearers auto-adjust the fit of their helmet for all-day comfort
- Helmet offers the only auto-adjusting suspension on the market so even the smallest adjustments are possible for workers to achieve the perfect fit
- Pad print capabilities in up to 4 locations on the hat – logos may have up to six colors per location
- Standard four-day lead time on plain and customized hats
- Replaceable brow pad, comfort liner, and nape cover for ultimate user comfort
- Vented and non-vented models
- 3-year manufacturer warranty
- Life span: 5 years
- Shell made of proprietary PC/ABS blend
- EPS foam liner provides comfort and helps the shell system absorb energy from impact
- Distinctive Three-Rib trademark
- Made In USA
